We're just setting up here and...
...WATCHING YOU.
WHAT?! WHY?! WHY ME?!
Haa~ Suhn Young would never tell me whom she's meeting on Sunday
Hehehe...
...but that doesn't matter now
Whomever she's meeting up with...
IT JUST DOESN'T HAVE TO BE YOU!!!
DO YOU THINK I'LL LET YOU MEET HER NOW?!
Hah~ Idiot Phones aren't mere decorations, are they?
I can just call her.
Riiing~
...
Yes? This is Suhn Young's phone~
I bought her a new phone!
From what I know, you didn't tell her the exact place and time of your meeting...
which means that...
THE MEETING IS AUTOMATICALLY CANCELLED IF YOU CAN'T CONTACT SUHN YOUNG!!!
UGH!!
AND SO, I'VE BLOCKED ALL HER INCOMING CALLS AND MAIL!!!
Oho~ So you're just gonna guard me like this?
Alright, then
But you guys have to go to work soon, right? You have filming scheduled~
My schedule... How did you...?
What's more, her shop is right in front of my house,
and you, Busy Sir, are trying to stop me, a jobless man??
The game's over once you leave for even just a minute~
Ah, you don't have to worry about that

RAW CROSSING

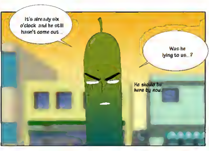
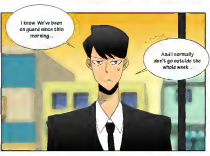
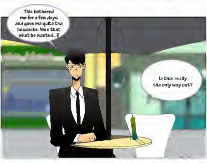
It's Sunday today, right?



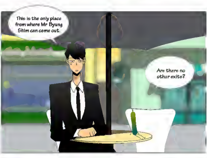
It's already six o'clock and he still hasn't come out...
Was he lying to us...?
He should be here by now.



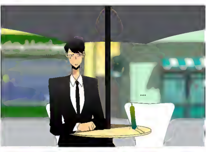
I know. We've been on guard since this morning...
And I normally don't go outside the whole week...

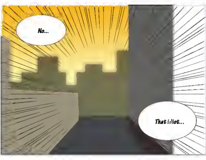


This bothered me for a few days and gave me quite the headache. Was that what he wanted...?
Is this really the only way out?

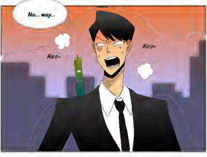


This is the only place from where Mr Byung Shim can come out
Are there no other exits?





No...
That idiot...



No... way...
